

# Additional voluntary contributions

Fire & Emergency Services  
**Superannuation Fund**

1. You must meet the following requirements to have additional voluntary contributions accepted by the Fund:
  - You must have provided the Fund with your tax file number;
  - If you are under age 75, all contributions in respect of you will be accepted subject to your total superannuation balance at 30 June of the prior financial year being less than \$1.7 million and sufficient unused annual contributions cap; and
  - If you are aged 75 or over, no contributions in respect of you will be accepted.
2. If you are a 'current employee' as defined by the Fund's governing Regulations, you may elect to make additional voluntary contributions through regular pay-roll deductions subject to the contributions being a minimum of 1% of your superannuation salary at the time of making the contribution.
3. You may make a lump sum contribution provided the contribution is not less than \$100.
4. You will need to provide proof of your identity at the time of making the voluntary lump sum contribution to the Fund.

## General

5. The above conditions are subject to the provisions prescribed by Federal Legislation and the Fund's Act and Regulations and may be varied at any time by the Fire and Emergency Superannuation Board.
6. Contributions paid into the Fund cannot be cashed until the member has met a condition of release.
